At last week’s Governing Council meeting, a copy of the 2014 School Hat and Sunsafe policies were distributed to Councillors for discussion at the next meeting. The review of the policies came about as we have applied for a Sunshade for Secondary Schools grant from the Cancer council. The permanent shade would be erected on the corner of our oval, adjacent to the tap, bins and seat.

After a presentation from Chad Fleming and much discussion, the Governing Council approved the purchase of 8 iPads for classroom use for both the Primary and Secondary students to access for movie making as well as other learning activities. This will come from Wool show funds and allows for students to work in groups or pairs, thus developing their collaborative and group skills.

The School Closure day has been changed from September to the 14th November, due to a clash with the Secondary Careers and Culture camp to Adelaide, being held in Week 9 of Term 3. This has changed from this term due to poor weather for many of our outdoor activities in Adelaide previously.

The Reports will be going home on Friday. The format has altered as we become more familiar with the Australian Curriculum. Teachers have spent considerable time developing teaching and learning activities and undertaking assessments in order to provide these very positive and comprehensive reports. I have read them all and am very proud of the achievements students have made across the school.

Principal position 2015 – 2020
Rowena Fox, our Education Director met with me to discuss the results from the review by parents, staff and students. Rowena was very happy with the overall positive responses. The position was advertised state-wide last week and is for 5 years. Kendall Poole is the parent rep on the panel. The AEU will select a staff member and then a peer Principal will be added from another Partnership along with Rowena Fox as Chairperson. The application is 1500 words for a CV and 1500 words addressing the person specification which is generic for all Principal positions state-wide.

Staff changes for Term 3
Deidre Chapman is taking leave next term and Annie Williams is taking on the Year 7, 8, 9s for English and Food and Hospitality. Jo Penna will be full time in R, 1 and Sheri Lapsley will be full time in the Year 2, 3 class thus ensuring staff continuity. Kristy Newton will pick up another of Annie’s days to be full time. Marie Clark is going on leave for the term as well. Julie Custance and Annie Williams will pick up the finances.

As part of staff Performance Development, we have been focusing on classroom observations of specific teaching as designed for and by our teachers. I will then provide feedback in a follow up meeting. I am also meeting with SSOs around their goals for the year, their current roles and how these are going, in particular, the progress of students they are supporting.

On Wednesday, July 2nd, there will be an assembly at 10am, hosted by the R, 1 class. All family members and visitors welcome.

I take this opportunity to wish you all a safe and relaxing holiday. I hope you keep dry and warm!

Cynthia O’Neil
Principal

- “Bouncing back” – to work and play

Children’s Centre News

- This week we are looking forward to having Guy Hutchinson to work and play with us as part of his work experience.
- Thank you to Julie Custance for the ride to school in the school bus for our visit to the R/1 class. We loved meeting the hermit crabs and playing with the children.
- Last week we broke our own eggs as we made our own toad in the hole for lunch.
- We all helped to clean the turtle pond so the turtles could have a clean home to live in.
- We painted to music and also danced with streamers to different types of music.
- This week we will be scrambling eggs to eat with toast soldiers.
- We will be going for a nature walk.
- Kindy families - please remember that learning stories are due back by this Wednesday.
- On Friday, Playgroup will be held from 10am-12pm. This will be the last session for this term.

Thank you
Julie and Teresa
