Principal’s Report

The Term has certainly flown by with many exciting learning activities undertaken by our students.

The R, 1 class are going to Glen Forest today for an exciting end of term celebration, culminating their studies of animals. This week, the Year 9 students are involved in work experience at various locations, which is preparing them for the future workforce.

A reminder to return the Parent Caregiver surveys or complete the online survey.

This week on Wednesday, September 24th at 10am there will be an Assembly, organized by the Year 7, 8 class. All community members are most welcome to attend.

On Friday, the student portfolios for Primary students and a page report for the Senior students will be sent home. These portfolios show you an array of learning activities completed over a very busy Term 3. Please take time out to read these with your child.

I take this opportunity to wish you all a happy, safe and relaxing holiday. Term 4 starts on Monday, October 13th.
