Principal’s Report

Last Friday, our Year 9 students met with other student leaders from schools across Eyre Peninsula in Whyalla. This was a valuable opportunity for our students to meet with others their age and discuss youth issues in a forum. Thank you to Kristy Newton for organising the day.

In preparation for the forthcoming Bushfire season, the following is for your information.

**TEMPORARY CLOSURE OF SCHOOLS ACROSS THE FIRE BAN DISTRICT**

If the Bureau of Meteorology and the Country Fire Service issue a forecast of catastrophic *(Code Red)* bushfire weather conditions within the Fire Ban District, the **Elliston Area School will be closed and the Sheringa - Bramfield school bus cancelled.**

Where possible, the Education Director will distribute information about the potential for closure on the day before the forecast period.

Staff will advise all parents and caregivers about the closure and cancellation of the bus route by telephone and by follow-up written notification.

The Education Director will confirm the decision by the Chief Executive to close Elliston Area School and cancel the school bus route within the Fire Ban District for a period as determined by emergency services.

Parents and caregivers are reminded to listen to local ABC radio or check CFS website for further warnings and advice messages.

*School photos are tomorrow Tuesday 21st October.*

Students need to wear school uniform.

Chad Fleming and Kristy Newton will be undertaking a Shot Put training with an accredited coach at school on Wednesday. As part of WCIAC in 2015, Elliston Area School will be running the shot put event.

Dr. Andrew Killcross was the keynote presenter and gave an overview on how he grew up in Manchester and ended up as a doctor specialising in child wellbeing and mental Health in Pt Augusta. Dr Killcross and a group of keen health workers have set up a youth centre called “Headspace”. It is a place where youth can go and access doctors, nurses, councillors and information associated with issues they are facing.

Topics discussed at the student voice included:
- Why don’t youth access health services?
- What issues are you as adolescents being faced with today?
- What are some strategies that you could use to tackle some of these issues.

Dr Killcross spoke to the students and reinforced that they are the young leaders of communities and they are in a powerful position to effect change. Students participated in ice breaking games and team building activities and were mixed in groups with other schools. Other schools that attended the day included Tumby Bay, Cowel, Streaky Bay, Karcultably, Lock, Kimba and Ungara and the Whyalla High Schools.

Student feedback reinforced the success of the day. It is important that Elliston Area School be a part of these interactions with other schools, and we provide our students with an opportunity to meet peers from other parts of Eyre Peninsula and support social networking.

Loud Shirt day was huge success! We raised $61 for children with hearing problems. There were lots of CRAZY shirts and students enjoyed the treat of an ice cream cone. Thanks to Deidre and the Year 8 students for helping out.
