Principal’s Report

I trust all the Mothers and Grandmothers had an enjoyable Mother’s Day yesterday.

This week is NAPLAN (Literacy and Numeracy) testing for Years 3, 5, 7 and 9 students, with Language Conventions and Writing on Tuesday, Reading on Wednesday and Numeracy on Thursday. There will be some changes to learning programmes for students in Years 2, 4, 6, 8 and 10 during this time as part of organizational changes for the tests.

A reminder that Governing Council is tomorrow, Tuesday, May 12th at 4.30pm. I hope to see all members there.

Please note that there will be an assembly in Week 5 on Wednesday, May 27th at 10am. At this stage, we are hoping to have our annual school fun run after this, followed by Reconciliation activities in the afternoon. More information will be forthcoming.

I will be taking some long service leave at the start of Term 3. You may have seen the advert in the local papers for this short term Principal vacancy. As part of the Merit Selection process, this needs to be advertised state wide.

Good luck to all our players for the Association round.

Enjoy the wintry week ahead.

Cynthia O’Neil
Principal

SRC NEWS
Wow! What a Thursday! Checkout the crazy photos.

Thank you so much to Deeds and the 9/10 class for helping with the pizzas. All the students thoroughly enjoyed the warm pizzas last week, and we have enough to do it again before the end of term.

Lots of students had Crazy Hair and when we have our next meeting on Wednesday we will decide how much to donate to Nepal and cancer research. A huge thank you to all the students and their families in supporting these two great causes.

There is a very busy term ahead and our next SRC Day is in June. Keep warm and hopefully very wet!!

Regards Annie and SRC members

PROPOSAL FOR NEW SCHOOL SPORTS SHIRTS

When we started attending WCIAC as Elliston Area School, we purchased sports tops in our School colours navy and white. A couple of years ago Ceduna also updated their sports shirts to navy and white. Officials and supporters found it difficult to distinguish between Ceduna and Elliston competitors at this year’s WCIAC. The above design combines our blue and white with the traditional town colour of red. This is one of many designs available. We are seeking feedback from students and parents - caregivers on the concept of the new design. Please discuss this with your children and provide some feedback to the teachers.

SCHOOL DENTAL SERVICE

All babies, children and young people under 18 years are welcome to attend the School Dental Service. Dental care is FREE for most school-aged children and ALL preschool children.

SA Dental Service participates in the Child Dental Benefits Schedule. A small fee may apply for children who are not eligible for the Child Dental Benefits Schedule.

To locate your local School Dental Clinic, or for more information about the Child Dental Benefits Schedule, please phone 8222 8222 or visit www.sadental.sa.gov.au
