Term 3, Week 4

Principal’s Report

The Elliston Area School community extends our condolences to the Williams and North families on the passing of Mrs Beth North. Our thoughts are with you all at this time.

Curriculum

On Wednesday we welcome Tania Sweeney the Primary Australian Curriculum Coordinator back to continue working with our primary classes and staff on the Natural Maths Strategy.

This Thursday and Friday Mrs Newton and Mr Dudley will be attending a two day ‘Science in Residence’ workshop in Port Lincoln. This will be a valuable experience with practical ideas and essential information to assist them when delivering an engaging Science curriculum.

Classroom Showcase

Also on Thursday Susan Holland from Special Education in the District Office in Port Lincoln will be accompanying Cheryl Malone and Jo Hurrell from the DECD Integrated Support Services in Adelaide to visit our school. They will be here to witness a showcase of the wonderful inclusion work being undertaken in our Primary classrooms.

Ministers Visit

This Friday we are very excited to welcome Mr Geoff Brock the Minister for Regional Development, Minister for Local Government and Member for Frome to Elliston Area School. Mr Brock, who is on his second trip to Elliston, will be visiting classrooms, answering questions from students and gaining valuable information about the successes and challenges of our wonderful rural setting.

Governning Council

A reminder that there will be a Governing Council Meeting THIS TUESDAY the 11th of August at 4.30pm in the staff room.

All the best to the Colts football team who will play in the First Semi Final this Saturday.

Until next week

MAKER SPACE UPDATE

The students are loving the maker space. Some new activities this week are play dough creation, pebble people, Techno Lego and cuttlefish creations. A big thanks to Mrs Chapman who made the play dough. We are looking for large tins to paint and make plant people. Students are experimenting with electrical circuits and building some amazing wood creations. We have students putting their hands up to be monitors for the space and have established a reliable roster. It is a place where they can go to make and create. Remember if you have any milk containers, tins, cardboard rolls or recyclable materials please drop them into the front office.

I am looking forward to our Science week afternoon in week 6 and Book week activities and dress up in week 7.

Regards Mrs Newton

R-1 MOVIE NIGHT

Thanks to everyone who supported the R-1 movie night. It was very successful.

* Happy birthday to Kai who will turn 5 this week.

* The kindy is looking bright with lots of painted rainbows. The children have swept and brushed and fixed loose boards in the ‘Mushroom House’. Roads have been raked and swept clean. Trucks have been busy delivering cement and taking babies for rides. Swings are still popular and many of the children are getting quite skilled at getting themselves going without a push.

* We look forward to a visit this week from the R/1 class.

* The children enjoyed singing and playing instruments with Mrs Rom while Anne attended the EP Leaders’ Conference in Ceduna. Thank you Julie.

* Four year old checks are this Tuesday 11th August with Pip Will. Parents, please remember your form when you attend with your child. The time is on the form.

* Playgroup this Friday from 10am – 12pm. All welcome!
