From the Principal's desk...

We had a fantastic assembly this morning to present our student leaders with their badges. Thank you to Anthony Ryan for a very informative conversation about Nursing and allied Health Services pathways.

Anthony Ryan: Presenting the SRC awards to the class representatives

Anthony Ryan: The Flinders and Pearson's House Captains

This morning, students completed the 800m run on the oval as part of the lead up to our Sports Day this Thursday, March 3rd. The R, 1 class completed their 400m component so that they won't get as tired on Thursday with all the other events. The Sports day timetable for Thursday is attached to this newsletter. The weather looks good for the big day. I trust you can take some time out to drop in throughout the day to check out how the students are competing in their various events.

We have Susan Holland our Disability Support Services Coordinator and Speech pathologist, Nichole Dempsey visiting staff and students tomorrow.

Attached to the newsletter is a copy of our current Uniform Policy. At the last Governing Council, we discussed the option for black pants as a choice for girls as many parent—caregivers find it difficult to access blue track pants. We would like your feedback on this matter so please feel free to contact a Councillor or the Front Office.

Enjoy the week ahead.
