ELLISTON RSL MEMORIAL CHILDREN'S CENTRE NEWS

- This week kindy is only on Thursday, due to Student Free Day tomorrow. Teresa and Annie at Wudinna tomorrow for Early Years with other preschools.
- Oh my goodness, what a fantastic week was last week!! Lake Newland excursion with the R/1 class and families was so wonderful. Thank you to everyone for helping out and making the effort to attend the day. Robbie for finding witchetty grubs, Frank for cooking the barbie, Jo for organising the treasure hunt. There was a round figure number of 45 adults and children, playing and learning about our natural environment so close to home.
- Sonia reflected with each child on Thursday and Annie will now convert the photos and information into a book that can be borrowed from the Kindy library.
- On Thursday Cherie organised the CFS and Anthony (policeman) to visit us at the Centre. It was so interesting and exciting being able to use all the gadgets that Anthony wears other than the gun and taser!! And all children were able to turn on the sirens for a fire truck and police car. Everyone had a turn at squirting the flagpole. A huge, huge thank you to Anthony Perchard, Dean Stevens, Jo Stevens, Graham Meyers and Ricky Haagmans for donating your time to the children and for the work you do in the community. Please check out the Elliston CFS page on Facebook to see some terrific photos.
- Friday we had an excellent Governing Council meeting, before we catered for the first Bus Tour.
- A couple of reminders for all community members from the Governing Council Meeting:
- - there is to be absolutely no nuts to be brought into Kindy due to severe allergy reactions, this includes peanut butter, muesli bars and home cooked goods. It is crucial that we are aware of this allergy and its complications. Thank you to everyone for your support and compassion.
- - Please be mindful of your dog(s) doing their daily business on the garden area in front of the Kindy and lawns, as young children are walking through this area constantly, there are bags at the gazebo for you to clean up after your dogs. Thank you for thinking of the little children.
- - The parents are looking at holding a First Aid course at the kindy for interested persons using a Volunteer Grant that we have been successful in winning. If you would be interested, please let Annie know asap so we are able to determine numbers. It will cover asthma and allergies, including administering epi pens.
- Thank you to all the parents of kindy kids and playgroup kids

who helped out during the Bus Tour. It is truly appreciated and well done. And also, to Teresa for organising the roster.

- Because of our extremely busy week last week, we didn't get to look at the letter F, or read Fat Ferdie, so this week we will try.
- Thursday also marks the first day of AP Kids for 2018. We welcome Saxon Romanowycz, Lola Tonkin, Chloe Wright, Max Gardiner, Chloe Ross, Halle Carter and Mason Potter at 9am until 12 noon. We are all excited about this beginning for the year.
- Playgroup is on this Friday at 10am, all families are welcome. CAFHS Nurse Di Habner is also here this week at Playgroup.

Have a wonderful week.

Regards Annie, Teresa, Julie, Larissa, Karen, Sonia, Cherie
