## Dates to Remember

### 20th August

Science Week and  
Book Week

### 24th August

Book Week Dress Up  
'Find your treasure'

### *From the Principal's desk...*

I trust everyone had a relaxing long weekend ready for an exciting week of learning. This week we have combined **National Science Week 'Game Changers and Change Makers' and Book Week 'Find Your Treasure'** which the SRC has localized as 'We Treasure Farmers'.

**National Science Week 'Game Changers and Change Makers'** refers to individuals, teams, technologies or ideas. The theme takes inspiration from three significant celebrations in 2018:

- 200th anniversary of the publication of Mary Shelley's Frankenstein (genetic engineering, biotechnologies, prosthetics, bionics, genetic modification, brain enhancement and ethics);
- 40th anniversary of the birth of the first IVF baby (genetic engineering, biotechnology, nanotechnology);

International Year of the Reef (coral reefs and the scientists who study them).

Tomorrow, between recess and lunch, students will be involved in Science activities organised by Kristy Newton who applied for a grant to fund these special learning opportunities. There will be group work stations around the school and students will move around the circuit of activities. You are more than welcome to join our celebrations of Science Week.

**Book Week 'Find Your Treasure' 2018** is the 72nd Anniversary of the Book of the Year Awards. Many of these new books are available in our library for students to borrow. On Friday at 9am we will have our annual Book Week parade where students and staff have the option of dressing up to the theme of Treasures. Please feel free to come and join the fun.

The **CAP Performance** booked for Wednesday has been **CANCELLED** due to unforeseen transport issues.

On Thursday, Internet access permitting, **Year 3, 5, 7 and 9 students** will be undertaking **online Naplan readiness practice** for 2019.

Good luck to our three **Elliston football teams** playing in the second semi final at Wudinna on Saturday.

### *Enjoy the week*

**Cynthia**

### SPORTING SCHOOLS—Football

Sporting schools, this Thursday 3:30-4:30 at the oval.

Please put your name, what you ordered and the correct money in a brown paper bag. Your order needs to be placed in the basket outside the Home Ec room on Wednesday morning.

## ELLISTON RSL MEMORIAL CHILDREN'S CENTRE NEWS

- This week is Tuesday and Thursday.
- Don't forget to buy your 2018/19 Elliston Community Telephone Booklets at the IT Centre and the Post Office.
- Last week we cooked enchiladas for lunch and ate them under the trees outside.
- We continued on Science Week with some fabulous experiments occurring, bleeding and blending colours with water and food colouring, spray bottle painting on paper and large calico, created our own volcanos in the sandpit, marbled some paper with milk, vinegar and cotton balls. The children were very engaged and interested in all the experiments. Thank you to Sonia for coordinating.
- Mud Day was sensational with all children thoroughly enjoying the freedom of mud in between their toes, and splashes all over.
- Tomorrow Annie is in Port Lincoln for Leadership meeting, welcome to Tracy Kenny for the day.
- Tomorrow we are cooking Laksa and looking at Laos, the letter L.
- "Sabadee" is hello.
- This week is Bookweek with the theme of "FIND YOUR TREASURE". There will be dress up on Thursday for any children that would like to.
- Governing council meeting has changed to Wednesday 29th August at 6pm before the Webinar at 7pm on Behaviours for Learning and Wellbeing.

The fact that all behaviours have a purpose – they are a way that children communicate.

Understanding what your child's behaviour is trying to tell you.

How external influences affect children's behaviour.

How to help children develop behaviours that will help them learn and have a positive sense of wellbeing. These could include: confidence and resilience self awareness, self management and social awareness the ability to work through problems, deal with stress and form healthy relationships skills in managing their emotions.

Community members and all parents are invited to attend this webinar from 7pm. Funding has been provided from a Parents In Education Grant.

- Playgroup is on this Friday at 10am, all families are welcome. Di Habner, CAFHS Nurse will be here this week. Here's to another fantastic week.

Regards Annie, Teresa, Julie, Larissa, Karen, Sonia

## **PARENT INFORMATION ABOUT SAFE TECHNOLOGY USE FOR CHILDREN.**

### Recommended Screen Time

Current Australian Recommendations for children's daily use of all screens, including TV's, computers, tablets, phone screens and game are:

- no screen time for children under 2 years. This is an important time for children's brain development. Interactive play and connection with other children and adults is the best way for them to learn language skill, to learn to think creatively, solve problems and develop fine motor skills. Passive media viewing may keep toddlers entertained but it doesn't teach these important skills.
- one hour maximum for children under 5 years. Programs and games should be selected and monitored by parents and not include violence.
- two hours maximum of recreational screen time for children 5 – 18 years. This is in addition to screen use for school.

*(Taken from the Parenting SA pamphlet on Safe Technology Use)*
