19th-22nd November

Student Free day

Please note the change
Friday, November 23rd

Presentation Night

Thursday, December 6th
at the Hall
5.30pm

End of Term 4

Thursday, December 13th

From the Principal's desk...

As soon as the word harvest was mentioned, the rain turned up.

Good luck to the Year 8, 9 **students**, who are combining with Lock Area School students tomorrow to compete in a **cricket competition at Cleve Area School**. Kristy Newton will be supervising the students.

We have visits from **Steve Glacken** on Wednesday who will be advising on **SACE pathways for 2019**. Also, **Speech Pathologist Sophie Martin** will be working with staff and students on Thursday.

Hard copies of the annual **Parent Caregiver opinion surveys** were sent home last week. Here is the link if you would prefer to complete the survey online—<https://www.schoolsurvey.edu.au/s/amaxN4jY>.

I urge all families to complete the survey as your opinions are valued and the information gathered will impact on our future planning.

If the Bureau of Meteorology and the Country Fire Service issue a forecast of **catastrophic (Code Red)** bushfire weather conditions within the Fire Ban District, the **Elliston Area School will be closed and the Sheringa Bramfield school bus cancelled**. Advanced warning will be given to families the day prior to the **catastrophic** forecast before the school day finishes.

As we are a high risk school, the various fire ban levels do affect bus transport, excursions and other planned learning activities, as well as staff Professional Development.

Enjoy the week ahead,

Cynthia.

SRC

ELLISTON RSL MEMORIAL CHILDREN'S CENTRE NEWS

- This week is Tuesday and Thursday.
- Wow, what a busy week we had last week with the Melbourne Cup Lunch and Bus Tour. A huge thank you to all the parents and staff and children for their excellent efforts in catering and organising both events. A real credit to the wonderful support we have at the Centre. With over \$600 profit that will be used for the children. Well done, and don't forget we are still doing Friday night meat tray raffles at the Hotel.
- A huge, huge thank you to all the businesses and families for donating prizes and food for the day and also to all the sensationally dressed ladies (and one man) for attending and supporting this fundraiser.
- Annie is away tomorrow, welcome to Julie Rom
- Sophie Martin (speechie) is here this Thursday
- Enjoy your break Sonia this week, and we say goodbye to Cherise again on Thursday as well.
- We are reading the book; We are going on a bear hunt, and Teresa has set up a learning area around this.
- This week we are looking at the letter t, country is Thailand, to say hello is "swar dee kar" for females and "swar dee kup" for males and will be cooking something Thai.
- Playgroup is on this Friday at 10am, CAFHS nurse is here and all families are welcome. I think a few small people are turning 2 at Playgroup. Happy days to these little ones.
- Meat Tray Raffles are running smoothly. Please make sure you make your own swaps, only one week each and a great little fundraiser.
- Few dates to keep in mind:
Friday 30th November: Governing Council meeting at 10.30am followed by a Christmas celebration. Please bring a plate of food to share.
- **Thursday 6th December:** Graduation Ceremony for the four children beginning school next year. Begins at 2pm.
Thursday 13th December: Father Christmas visits Kindy for all children aged 0-5. There will be a special box at the Supermarket for a present of a book to be placed into, if you wish for your child to be involved. Kindy finishes after the big man has delivered the presents. More info later.

Have a wonderful week 5.

Regards Annie, Teresa, Julie, Larissa, Karen, Sonia, Cherise

Physical Education week celebrates the importance of the Health and Physical Education Learning Area in South Australian Schools. Health and Physical Education is the area of the curriculum that is directly concerned with the development of skills, knowledge and understanding, values and attitudes that will counteract so called lifestyle diseases that are widely acknowledged as representing an unprecedented threat to the Health and economic future of Australia. This is celebrated through PE week 2018.
