## School News

### SSSSA Athletics Carnival

Congratulations to Indi Donovan and Jason Thompson who have been selected to represent Far West at the Secondary Schools Sports of South Australia State Athletics Championship next Thursday. What a wonderful achievement and we hope you both enjoy the experience.

### Sports Day Shirts

Students who have Sports Day Shirts worn at Ceduna please return them to school. Thank you.

### Parent/Carer/Teacher Interviews

Will take place in Week 2 next term.

Tuesday the 4<sup>th</sup> and Wednesday the 5<sup>th</sup> of May 2021

To secure your preferred interview time please click on the link below.

If you receive a hard copy newsletter, please contact the front office and they will lodge a form on your behalf.

[Parent/Carer/Teacher Online Interview Form Link](#)

### PRINCIPALS READ ALOUD at HOME CHALLENGE

Every time your child reads aloud to a parent/carer, the students themselves, are required to record the book and the number of pages they read in their diary or home book and bring it to their parent/carer for initialling. If this takes place 3x per week students will be rewarded with 5 Stars/5 Sprit Award Points that will go towards their house team tally and classroom prize.

I will personally stamp each child's chart and thank them for taking the time to practice their reading, because as Dr Seuss always says:

**“The more you read, the more things you will know. The more that you learn, the more places you'll go”.**

### SRC Easter Egg Hunt!

**WK 10 Thursday 1st April,**

**1:15pm**

**Dress up as your favourite animal.**

**Gold Coin donation to support the RSPCA**

### March Birthdays

31<sup>st</sup> Mason Potter

### April Birthdays

3<sup>rd</sup> Jaycee Peters

5<sup>th</sup> Miley Agars

10<sup>th</sup> Cedar Richards

17<sup>th</sup> Cameron Westwood

18<sup>th</sup> Rachel Scott

23<sup>rd</sup> Finn Nunan

### Active After School

#### Football

At the Oval,

**Wednesday** from 3:30pm – 4:30pm

Please bring a water bottle

## Community News

### Clip Joint Education

Clip Joint Education is pleased to provide you our newly revised **Hair + Makeup - 2 days Introductory Course** coming up in the **April School Holidays**.

The hair and makeup workshop is a fun way to spark enthusiasm, passion and have a little holiday fun! Also it may help students to see if this is the right career pathway they would like to take.

*The course includes:*

- Introduction to hair and makeup industry
- Personal grooming
- Salon communication
- Long hair styling
- Braiding
- Salon practical skills
- Personal Makeup basics
- Skin care basics
- Choosing and applying a flawless base
- Enhancing your face and eye shapes
- Eye shadow techniques
- Casual/professional/evening makeup looks
- Career pathways

For any students interested to explore our school holiday course please see Elliston Area School Front Office for the application form to complete and return to us for processing.

If you have any queries regarding the above please contact us on 8223 5600 or [robynbarber@clipjoint.com.au](mailto:robynbarber@clipjoint.com.au)

Looking forward to hear from you in the future.

Kind Regards

Robyn Barker

Administration Manager

### Elliston District Training/Family Day

**Saturday the 10<sup>th</sup> of April**

Training for both Juniors and Seniors, Football and Netball at 11.00am

**Followed by a Free BBQ lunch at the Beach Front at 1.00pm (weather permitting). Some drinks supplied.**

Players and supporters are welcome to come along and meet our Western Districts counterparts and train with your teammates prior to our first away game at Tumby Bay on the 17<sup>th</sup> of April. Look forward to seeing you all there.

**South Australia Youth Week 2021 (SAYW21)** is fast approaching and the Department of Human Services is pleased to share this year's date and theme.

In 2021, the week will be held from Sunday 2 May to Sunday 9 May 2021. The theme is **Our Voice – Our Future**.

We know that last year brought with it many challenges, with most activities being postponed due to COVID-19, but we are confident that this year will see new and innovative ways to celebrate and engage with young people.

There are many ways that we can participate in SAYW21, from hosting an event in-person, to virtual activities such as an online forum, [award](#) or competition. If your organisation is planning to hold an event, we encourage you to read the [SA Health tips](#) to ensure it is held in a COVID-safe way.

To have your SA Youth Week event or activity listed on the [SA Youth Action Plan website](#), please complete this [online form](#) by 30 April 2021. For more information about SAYW21 please contact the SAYW team during business hours on 8415 4345 or email [DHSYouth@sa.gov.au](mailto:DHSYouth@sa.gov.au)

### Elliston District

### This week's Elliston Football and Netball

Training will be on Wednesday the 31<sup>st</sup> of March 2021 for both Juniors and Seniors due to Easter.

Look forward to seeing everyone there.

### Sports Centre Busy Bee

**Thursday the 8<sup>th</sup> of April**

**Starting at 2.00pm**

There will be a list of jobs available of the whiteboard near the football change rooms. Feel free to drop in at any stage throughout the afternoon to lend a hand and help us prepare for the season ahead.

Football Training as normal: Auskick 3.30pm-4.30pm, Colts 4.30pm-6.00pm, Seniors at 6.00pm

**Steak Sandwiches \$4.00, Sausages in Bread \$2.00, available for tea.**

## 2/3 Science Forces

In science we have been discussing forces. We discovered that a force is a push or pull that is applied by a person, another object or an invisible force, such as gravity to change a stationary or moving object's position, direction, shape or size. We have completed a variety of experiments and investigations to test our thinking and understanding throughout the topic. Our final task shown below was to design and create a floating ball toy.

A push is a force that moves objects away from that which is applying the force.

Gravity is an invisible force that acts on all objects, it is a force that pulls objects towards the centre of the earth.

A pull is a force that moves objects closer to that which is applying the force.

Respect

Responsibility

Caring

Cooperation

Honesty

## 6/7 Maths

I like learning new Maths concepts.  
I find pop quizzes challenging.  
I'm really good at angles.  
George

I like how I get hard questions.  
I find Mental challenging  
I am really good at timetables.  
Colin

What I like about Maths is multiplication.  
The things I find challenging are the  
Maths words.  
I am really good at Maths.  
Yue

Multiplying is my favourite thing in Maths.  
Carlo

I like that sometimes we are allowed to  
use a calculator.  
I find Maths challenging.  
Jade

I like my Maths.  
I find division challenging.  
I am really good at using a calculator.  
Beau

What I like about Maths is that we get to  
solve big problems and if we get them  
wrong it doesn't matter.

Things I find challenging are subtraction  
and division.

I am really good at rounding to the  
nearest ten, hundred and thousand.  
Lachlan

I love Maths lessons. The thing I find  
challenging is division.

I will have to learn better techniques in  
the future.

I am really good at my timetables and  
multiplying large numbers.

What I love about Maths is getting a  
new challenge every maths lesson.  
Ashton

What I like about Maths is the times  
tables. I like patterns.  
Finn

I like Maths because it makes me think  
and I find it challenging

I like doing hard equations with big  
numbers, long multiplications and long  
division because you get to use different  
equations.

I find new topics challenging.

I'm really good at doing large numbers  
because I think more. With smaller  
numbers I get some answers wrong  
because I don't concentrate enough.  
James

The thing I like about Maths is  
timetables, addition and subtraction. I  
like doing lattice multiplication with 2 digit  
numbers.

I find angles and using protractors  
challenging. I find it very confusing.

I am really good at simple division,  
timetables and addition.  
Delilah

What I like about Maths is that we do  
Mental every time we do maths. We  
have homework for 20 minutes.

I find division challenging and sometimes  
I need to rethink it.

I am really good at addition and  
subtraction. Sometimes I make tiny  
mistakes that I redo to make right.  
Miley
