R/1 Post Office and Community Visit

As part of Literacy we have been writing letters to our class pen pal each week and posting them in our class Post Box. During week 8 we went on a bus ride to the Post Office and sent a letter to our parents. We also had a tour of our community and looked at the services we have in town and where each of our houses are. This ties in with our History and Geography topic of 'Our Community'. Next Term we will be plotting the location of our houses and local services on a map of Elliston and continue to explore places special to us.

Year 8/9/11 Lock Historical Museum

As part of the school's centenary celebrations the Year 8/9/11 students travelled to Lock to visit the Lock Historical Museum. This museum has wonderful displays of the districts history ranging from farm machinery to household appliances. The students were able to step back in time and see how life use to be lived and compare it to today's lifestyle. And of course the students got to hear amusing stories from the by gone days told by us old timers!
