School News

Our 8/9/11 working with staff from Destination Trails to develop concept plans for the Pump Track.

Book Week 2021

On Wednesday the 25th of August our students are encouraged to dress up as a character related to this year's theme, OLD WORLDS, NEW WORLDS, OTHER WORLDS or their favourite book character. There will be a parade in the morning and literacy activities throughout the day.

Active After School

Table Tennis
- At School
Thursday
3:30pm - 4:30pm
Boys and Girls welcome.
Please bring a water bottle.

PRINCIPALS READ ALOUD at HOME CHALLENGE

Every time your child reads aloud to a parent/carer, the students themselves, are required to record the book and the number of pages they read in their diary or home book and bring it to their parent/carer for initialling. If this takes place 3x per week students will be rewarded with 5 Stars/5 Sprit Award Points that will go towards their house team tally and classroom prize. I will personally stamp each child's chart and thank them for taking the time to practice their reading, because as Dr Seuss always says:

"The more you read, the more things you will know. The more that you learn, the more places you'll go."

Year 4/5 Curriculum Resources Centenary Research

English Unit 3 Examining Media Texts is a Curriculum Resource document being modified in the 4/5 class, to fit in to the Centenary research being undertaken by the class.

In this unit, students listen to, read, view and interpret a range of news articles and reports from journals and newspapers to respond to viewpoints portrayed in media texts. Students apply comprehension strategies, focusing on particular viewpoints portrayed in a range of media texts.

The Learning Intention is - to understand what a feature article is and how it differs from a news article.

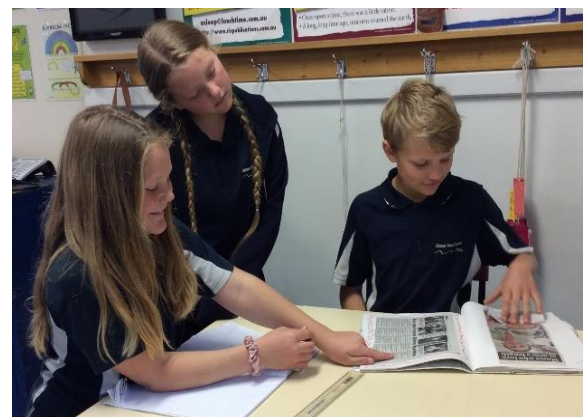

Students are developing an understanding of how authors use text structures, language and visual features to influence an audience and accept a particular point of view.

Students have been comparing feature articles and news articles from old newspaper cuttings from the years 2000 to 2010, and looking at the use of formal and informal language, fact and opinion.

When we look through the old cuttings, students are amazed to find photos and feature articles about past students, who they know now as young adults, and staff members, both past and present.

Student are planning to contact past students from the years 2000 to 2010 to request short interviews, either by phone, in person (with Covid-safe conditions in place), or via zoom, to find out about school life in the 2000's. If anyone from this period who attended EAS, is prepared to assist, please email the students via my address so we can make arrangements. Thankyou.

Year 4/5 Food Sustainability Activity

The 4/5 class have been busy this term, looking after the schools chooks and maintaining their garden.

With the excess eggs, the students were able to practise their life and team work skills by cooking with the eggs they have collected.

A delicious feed of bacon and eggs was enjoyed by all.
