Dates to Remember

Last Day of 2021
Thursday 9th December

Hello everyone and welcome to our last week of 2021, and what a wonderful week the staff have planned, to celebrate the year with the students. It has been such a joy to read each student's report and discover a little more about the outstanding progress everyone has made throughout the year. Semester 2 written reports will be emailed home to families on Thursday the 9th of December. If you would like a hard copy of your child's report please contact the front office staff. The 2021 School Magazine should also be sent home with students on the last day of Term.

Presentation Night

I would like to thank everyone who attended our Presentation Night last Thursday either in person or via Zoom. Thank you once again for booking in and being Covid Compliant with masks and numbers attending. The event was recorded and has been uploaded to YouTube. A link will be emailed early this week. Congratulations to all award winners.

Early Dismissal

A reminder to Families that Thursday the 9th of December (LAST DAY OF TERM 4) is an Early Dismissal.

2021 has been a fantastic year and an absolute pleasure to see all the students thrive and flourish. I wish those students who are leaving us to continue their schooling at another site, all the very best for their future. I am certain that the skills and abilities you have developed throughout your time at Elliston Area School have created a solid foundation for future learning. Please ensure to visit us in the coming years and let us know how you are going and what you are up to.

I would like to take this opportunity to wish everyone a Merry Christmas and a safe and happy holiday, and we look forward to seeing each of the students well rested and ready for Term 1, on Monday the 31st of January 2022.

Kind Regards, Chad Fleming.
