### School Fees

A reminder to parents that **Material and Service fees for 2022 are overdue.**

These were invoiced in February. The options to pay these amounts are listed below.

Statements were recently given to all families with amounts outstanding.

Some of these were simply reminders for amounts invoiced since the start of the year e.g. uniforms, which parents may have overlooked paying.

These fees support the school and enable us to deliver a variety of programs for our students.

Paying in instalments is an option; please talk with Julie Custance or Chad Fleming regarding this.

1. Payment by Cash, Cheque or Online Payment to the School's Bank Account (BSB and Account details can be obtained by contacting the school or are at the bottom of your invoice)

2. Enter into an Instalment Agreement with the school to pay in manageable amounts, weekly, fortnightly or monthly. Contact Julie at the school to begin instalments by cash, cheque or online payment.

If families have difficulty paying they may be eligible for School Card.

School Card applications or information can be accessed via the internet or paper copies can be obtained from the front office at the school

## PRINCIPALS READ ALOUD at HOME CHALLENGE

Every time your child reads aloud to an adult, the students themselves, are required to record the book and the number of pages they read in their diary or home book and bring it to their parent/carer for initialling. If this takes place 3x per week students will be rewarded with 5 Stars/5 Sprit Award Points that will go towards their house team tally and classroom prizes. This Term we have also introduced a visual reading aloud at home tally in each class for the students to track their progress.

I will monitor each child's read aloud at home tally and thank them for taking the time to practice their reading, because as Dr Seuss always says **"The more you read, the more things you will know. The more that you learn, the more places you'll go"**.

### Australia

Gloomy, cold  
Cuts, bruises, afraid  
Trenches, sounds of guns  
Tears, bombs, sweat  
Guns stop firing  
Poppies. *Carlo*

Dirty, cold, afraid

Guns!  
Help me!  
Help is on the way, Dear  
The medic said to the soldier  
Look at me soldier  
Good job soldier

*Koby*

A time to fight for a country.

Never losing hope no matter what  
Ze people are everything  
All are injured during this war  
Clouds of thunder and lightning  
struck all over the battlefield  
**The war has ended.** *Finn*

All the solders are left alone.

New Zealand and Australia  
solders battle it out.

Zebras and scared of the  
bombing plans.

Anzac biscuits are all we  
have.

Clouds fog the stormy sky  
as the solders are left to  
hide. *By Beau.*

A Day Of War.

New fear every three days

Zzzzzz when the solders are  
sleeping

A new mess every day dirt on  
the clothes

Can the troops do this

Days past thousands of solders  
die Armies crumbling

Yummy Anzac biscuit. *Colin*

Anzac biscuits fresh from home.

Night air cold, full of misery.

Zone of fire, their guards up,  
ready to shoot through thick  
bushes.

Accessional screams echo through  
forests, freezing us with fear.

Clouds cover grey sky, as soldiers'  
souls rest. *Jade*
