School Closure

Hello everyone and welcome to Term 4. It is splendid to have all students back at school with their cheery smiles brightening up each other's day. It is also great to see everyone in school uniform, with a friendly reminder that our uniform supplies are stocked ready for your convenience.

I hope all students and families had a fabulous holiday and you were able to spend some quality time together or with family and friends.

Staffing

Welcome back Mr Dudley! We are super excited to have you back enthusiastically teaching English, Science and HASS lessons at our school. The Middle School Mathematics vacancy has been advertised and the process for filling this vacancy will take place over the next couple of weeks.

External School Review

As mentioned last Term, this Wednesday our school will participate in an External School Review as part of our continuous improvement process. The review team will be interviewing staff, parents and students, visiting classrooms and gathering evidence to support us raising achievement, sustaining high performance and providing quality assurance at our school. I look forward to communicating the outcomes in the coming weeks.

SFD

Yesterday at our SFD we worked with Ashlee deWet-Cowland from the Literacy Guarantee Unit on strengthening our Spelling and Vocabulary programs. Ashlee reinforced the complexities of the English Language and outlined the high impact strategies to support students in their spelling development. She also determined how oral language connects to reading development, the importance of vocabulary on children's reading comprehension and how quality mentor texts and explicit instruction is the key to important development in this area.

Interviews

Will be held next Tuesday and Wednesday, Week 2, Term 4. The Term 4 interviews are Parent/Carer OR Teacher initiated interviews and an [online booking](#) is available for you to lock in your preferred times. Interviews are a great opportunity for teachers to share the learning progress being made and outline strategies for improvement for the remainder of the year.

[Please click on the online booking form.](#) Alternatively, please call the school on 8622 9100.

Read Aloud at Home Challenge

This term we are aiming for 100% participation in the Read Aloud at Home challenge.

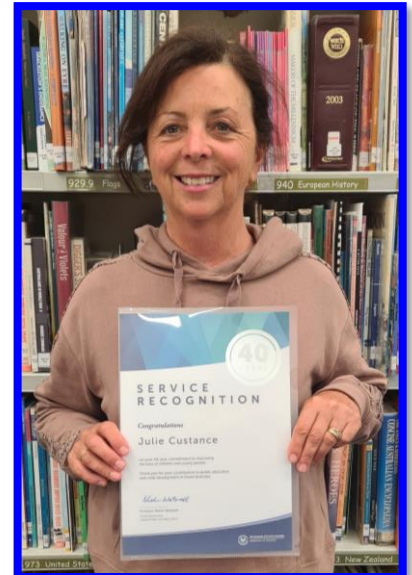

Congratulations to Bodhi, Brax, Ava, Hadley, Milla, Saxon, Hale, Dalby, Otis and Kiarni who read each week for over half of Term 3.

Congratulations also to the Year 4/5/6 class who also earned themselves Special Free Choice lessons for their whole class participation in the Read Aloud at Home Challenge During week 5, 6, and 7. A super effort to you all.

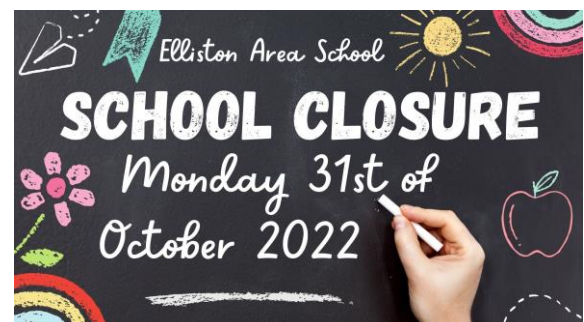

Remember: Reading Aloud 3x per week for 10 min each time, will earn students additional Spirit award points, while most importantly, practicing and improving the significant life skill of READING.

Please have a marvellous week 1.

Kind Regards,
Chad Fleming
Principal

Congratulations to Julie Custance who has reached a significant milestone of 40 Years of service with the Department for Education. Julie is a dedicated team member with a wealth of finance knowledge and we are extremely grateful to have her expertise working at our school.
