Sports Day and WCIAC

A huge thank you to our families for your support of the 2023 Sports Day, last Wednesday. It was fabulous to see so many of you cheering on the students and assisting in running events. Your contribution to our wonderful day was greatly appreciated. Congratulations to all Medal winners and to the Pearsons team for claiming the championship.

We were so pleased with the way all students competed at sports day, not only having a go and competing in events that sometimes don't always come naturally, but the way they cheered on and congratulated one another throughout the day was also pleasing. It was exciting to see and affirm that students are embracing our extremely positive school culture of Respect, Caring and Cooperation.

Thank you to Clint Gardiner from Sunny's Earthworx for supplying and delivering the sand for the long jump pit. Much appreciated.

Year 2/3 Term 1 Learning - English / Writing

This term the Year 2's have been writing recounts of school events that have happened. They have been focussing on introducing their work telling us who, what, where, when and why something was happening in the first sentence. The next sentences come in order telling us things that happened using connecting words to begin the sentences like first, next and after that. Finally the last sentence gives a comment about what the experience was like for the student. We hope you like reading our writing about going to Walkers Rocks in Aquatics Week and some other school events that have been happening.

At Walkers Rocks

On Thursday we went to Walkers with Mr Adams and the class. First we went on the bus. Then we listened to the instructors. After that we got a surfboard or boogie board and we caught some waves. It was fun. By Jess

At Walkers Rocks

On Thursday Mr Adams took us to Walkers Rocks. He took us to Walkers Rocks because we had to learn about swimming with the instructors. First we went on the school bus to get there. Then we had a talk to see what we had to do. After that we went boogie boarding, then we went surfing. By Milla

After that we got crashed by the waves. We walked back to the bus and then we went back to school. I loved it. By Montana

At Walkers Rocks

On Thursday we went with Mr Adams on the bus to Walkers. First we listened to the life guards. Then we surfed lots. I was trying to stand up on my feet. It was hard to boogie board. Then the surf board was easy. After that we went to school. It was really fun. By Sage

At Walkers

On Thursday we went to Walkers and we went on surfboards. There were big waves. I got dumped by the wave and my board flipped over. We went back to school on the bus and it was fun at Walkers. By Mason
