Interviews

This week our teachers are looking forward to meeting with families to discuss your child's learning progress. We have allocated Monday 8th, Tuesday 9th and Wednesday 10th of May. Please complete the [Online Interview Form](#) to ensure you secure an appropriate time. Alternatively, you can contact our front office staff who will be more than happy to arrange a time.

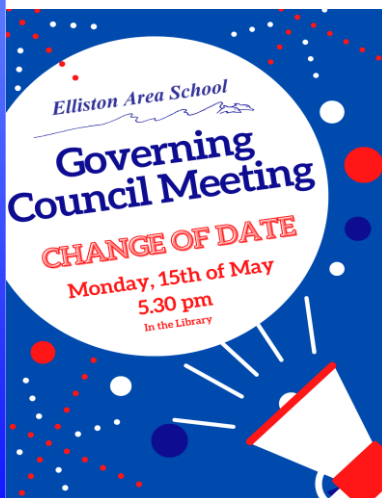

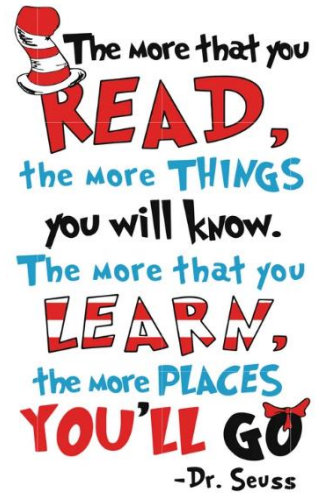

I would **encourage** all parents/carers to attend Interviews to touch base with teachers and discover the brilliant progress taking place and learn about the goals for Term 2 to ensure continual growth.

An email of your exact times was sent to parents last week. If you are unable to make these days, please contact your child's classroom teacher to arrange an alternative suitable time. We are always available to discuss your child's learning.

A colorful poster for a "FUN RUN & WALK" event. It shows three people (two men and one woman) running on a path. The text "Elliston Area School" is at the top left. The main title "FUN RUN & WALK" is in large white letters. Below it, it says "Preparation for: Tcharkuldu Cross Country Event 25/5/23". The date "FRIDAY MAY 19" is prominently displayed. At the bottom, it says "THIS EVENT WILL COINCIDE WITH NYAH DUDLEY'S ONE-YEAR ANNIVERSARY. STUDENTS ARE ENCOURAGED TO WEAR LOUD SOCKS AND COLORFUL CLOTHES TO CELEBRATE AND REMEMBER HER." and "Parents/Carers and community members are all welcome." A green box at the bottom right says "PLEASE WEAR BRIGHT COLOURFUL CLOTHES".

Once identified, you can be contacted immediately and informed of the location of your pet.

In South Australia it is compulsory for ALL dogs (including working dogs) and cats to be microchipped. ALL dogs AND cats in the District Council of Elliston must be registered in Dogs and Cats Online with the microchipping details.

Year 7-9 Food Technologies

Last term the 7/8 students organised and planted vegetables in their garden beds. They have blossomed over the school holidays, they look wonderful. Students are very excited and enthusiastic about their vegetables. We have also been cooking some amazing food creations since the beginning of the year.

Year 9 students have been looking at advances in technology that have helped the food/fibre industry overtime. Students cooked a variety of foods last term that were delicious.
