Term 3 2023 Begins

Tuesday 25th July
@ 9 am

Hello everyone and welcome to the last week of Term 2.

NAIDOC Week.

This week our students will be celebrating NAIDOC Week with this year's theme being "For Our Elders". We are excited to welcome Kingsley Keeler, a Kukata man and Charlotte Truman, a Wirangu woman, to our school to work with our students, as we strive to discover more about the indigenous culture. Each class will be participating in dreamtime activities, artwork, and storytelling and trying some bush tucker, as we move up to our humpy building and Nature Trail busy bee on Friday. There will be a free sausage sizzle on Friday before an early dismissal.

Staffing

After PAC and Governing Council consultation, I am pleased to provide an update on our staffing for the remainder of 2023.

We are delighted that Murray Adams will take on Secondary Maths and 4/5/6 Science and De&T for Terms 3 and 4. Murray has experience in teaching Middle School Maths in the past and we are grateful to tap into his expertise and appreciate his willingness to step back into this role. We are also fortunate enough to have Kristy Newton available, and with the familiarity and proficiency, to teach 7/8 Science. With Murray moving out of the 2/3 class, we are thankful for Kate Jervis being willing to teach an additional day per week, on Thursday's, together with her usual Friday, for the remainder of the year. Heather Wright will continue in her Term 2 role of being employed each Friday to take Years 4-9 PE and an English lesson in each of our Secondary classes, with Annette Hill picking up 4/5/6 HASS. Although this has been a challenging process, we feel fortunate to have the staff with the skills and capabilities to ensure continuity of the curriculum for the remainder of the year.

THANK YOU

We would like to offer a huge thank you to Priscilla Martinus (Ms M) for being willing to move to Elliston and fulfil the Maths and Science vacancy this Term. You came to our school under extremely difficult circumstances and we appreciate you teaching our students. On behalf of our staff, students and the entire school community, we sincerely thank you.

Student Free Day.

Our Governing Council has approved a Student Free Day for the first Monday of Term 3 (24th of July). Our staff will be participating in Curriculum Resource planning.

Assembly

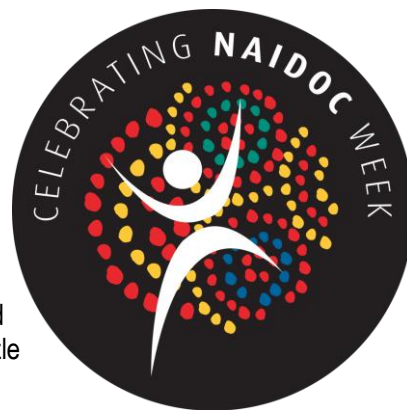

Each of our classes have been busy planning to showcase some of our Term 2 learning at our Assembly on Wednesday the 5th of July at 10am. Look forward to seeing you there.

Mobile phone

Our school will be implementing an updated mobile phone and personal devices policy next term. This has been developed in conjunction with Governing Council and staff and will be discussed with students this week. Very little has been adjusted with the policy and an update is available on our website.

MP Visit

Last Thursday we were treated with a visit from Sam Telfer MP the Shadow Minister for Community Safety, Police and Corrections, Local Government, State Migration Strategy, Regional Population Growth and Planning and Member for Flinders. We appreciate Sam checking in on how our school and community is recovering from recent events and value his willingness to listen to some of our challenges. Sam participated in a tour of the school, visiting each of the classes, chatting with our students.

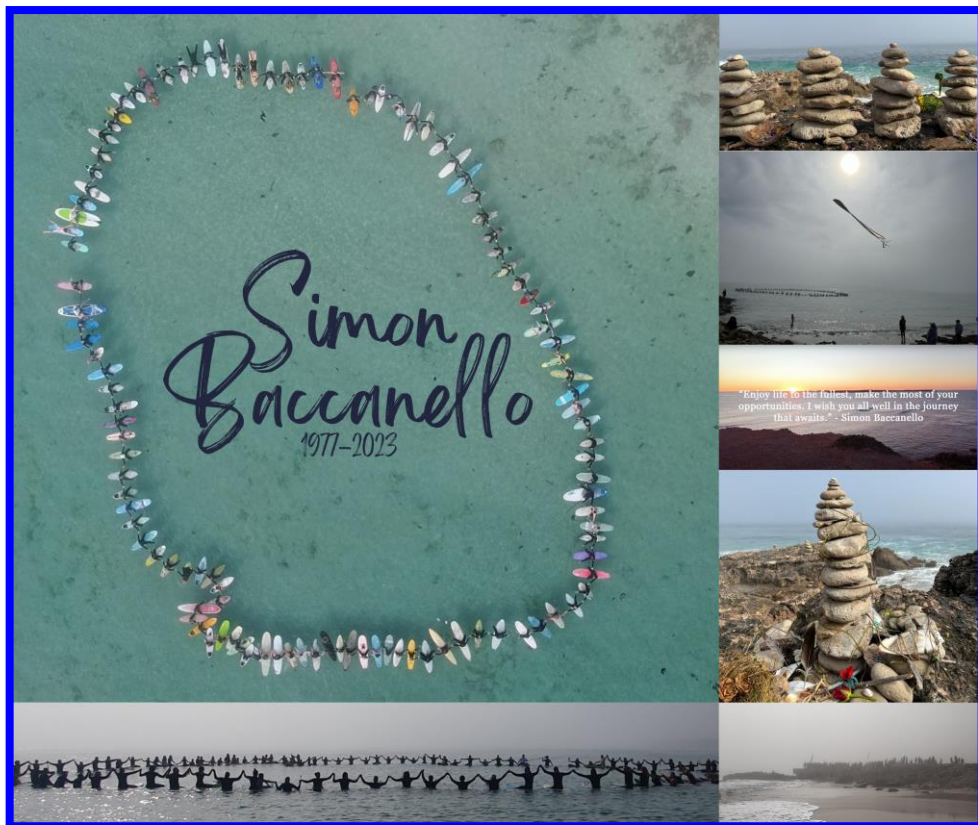

Semester Reports

I have thoroughly enjoyed reading through each of the students' Semester 1 Reports. There have been so many highlights throughout the first 2 terms of 2023, with tremendous individual growth across a variety of subjects. Congratulations to all students on your successes of this Semester. They all should be really proud of their achievements.

This term has been an extremely challenging one and I have been immensely proud of the way our students have continued to supported one another and how our entire school community has wrapped their arms around each other and our school. Please continue to check in with your children to support them with their grief. Please encourage them to never stop talking about and shedding a tear for our wonderful Mr B.

I would like to wish all students and families a delightful mid-year break and hope you have the opportunity to enjoy some well-earned relaxation. Term 3 will resume on Tuesday the 25th of July 2023 as Monday the 24th of July will be a Student Free Day.

Kind Regards
Chad Fleming
Principal
