Dates to Remember

Wool Show
Saturday 28th October

School Closure
Monday 30th October
After Wool Show

Hello everyone and welcome to Term 4.

I hope your children had a splendid holiday and that they are well rested ready for a thrilling Term.

Student Free Day

Yesterday our staff spent the day planning and preparing for the Term ahead. We participated in a Dyslexia Workshop ran by Jo Penna and Tannille Fleming who have both been fortunate enough to attend a Literacy Guarantee Unit led Teacher Learning Community with a specific focus on supporting students with Dyslexia. They discussed the strategies to best support all learners and outlined tools and resources both students and teachers can access to enhance student learning. We also allocated time to participate in strategic analysis of our Term 3 student data and planned how this will impact our Planning and Programming. Equally important, we dedicated a portion of the day to plan using the DfE Curriculum Units and outlined how we will adapt these to best meet the needs of student learning in Term 4.

Site Improvement

The important work undertaken at our SFD underpins our 2024 SIP strategies. Teachers will continue to undertake reading and writing conferences with students and provided important feedback to move their learning forward in line with their individual goals. We will also continue to provide explicit instruction of the Big 6 of Reading and targeted genre and grammar and spelling lessons.

Staffing

Welcome to Jay Dudley who will be teaching the 4/5/6 students Monday -Thursday for the remainder of the term with Rosie Romanowycz teaching them each Friday. We are fortunate enough that both teachers have spent time in the 4/5/6 room already this year which will assist in a seamless transition for the continuity of learning.

Tracy Sampson has reduced her SSO time this Term and Kristy Newton is on LSL during Week 1.

Special Education

Today we are delighted to welcome Special Educator Leader to our school. They will be accompanied by Sally Cormack our Principal Consultant and will be visiting our school to observe the strategies in place to meet the needs of all students to thrive at our school.

Wool Show and Learning Expo

As we approach our Wool Show and Learning Expo our classes are busy planning and preparing for the two major events. We are thrilled to showcase our learning from the year so far along with the wool display from Saturday the 28th of October 2023. Both displays will be up for the following week for the community to view at their leisure.

As we get our teeth into the final Term of 2023 we look forward to sharing with you the learning highlights.

Please have a wonderful week 1.

Kind Regards
Chad Fleming
Principal
